## OVERVIEW

We are excited to propose a strategic partnership opportunity with your Durable Medical Equipment (DME) provider company. Our proposal outlines a streamlined and efficient approach to handling doctor orders, aimed at optimizing your order processing workflow and enhancing customer satisfaction.

### **Order processing services:**

We offer specialized order processing services tailored to DME providers. Our team will handle the entire process from receiving doctor orders to verifying insurance coverage and obtaining necessary approvals.

### **Benefits to your company:**

**Efficiency:** By outsourcing order processing to us, your company can focus more on core operations such as equipment procurement, quality assurance, and customer service.

### **Cost savings:**

Reduce overhead costs associated with hiring and training order processing staff. Our services are cost-effective and scalable.

**Accuracy and Compliance:** Ensure all orders are processed accurately and in compliance with regulatory standards, minimizing errors and potential delays.

### **Our process:**

#### **Order Intake:**

We receive doctor orders electronically or via fax/email.

#### **Verification:**

We verify insurance coverage and obtain necessary authorizations.

#### **Documentation:**

We maintain detailed records of each order for compliance and auditing purposes.

#### **Communication:**

We liaise with doctors, patients, and insurers to resolve any issues promptly.

### **Technology integration:**

Our systems seamlessly integrate with your existing platforms, ensuring a smooth transfer of data and information.

### **Customized solutions:**

We understand that each DME provider has unique needs. We offer customizable solutions to align with your specific requirements and workflow.

### **Partnership model:**

This partnership can be structured as a service agreement, with flexible terms based on order volume and complexity.

### **Why choose us?**

#### **Experience:**

We have extensive experience in healthcare order processing.

#### **Compliance:**

Our processes adhere to HIPAA and other regulatory guidelines.

#### **Dedicated Support:**

You will have access to a dedicated account manager and support team.

### **Next steps:**

We would welcome the opportunity to discuss this proposal further and tailor our services to meet your needs. Please let us know a convenient time for a meeting or call.

We are confident that our order processing services will add significant value to your DME company by improving operational efficiency and customer satisfaction.

Thank you for considering this proposal.

We look forward to the possibility of partnering with you.
